

DR. IOANNIS K. KAPAGERIDIS

Associate Professor in Mining Informatics

PhD CEng CSci MIMMM

PERSONAL DATA

- *Date and place of birth:* 7th July 1972, Thessaloniki, Greece
 - *Father's first name:* Konstantinos
 - *Marital Status:* Married, two children
-

EDUCATION

- Feb. 1992 – Sep. 1995 Technological Educational Institute of W. Macedonia
Mining Technology
- **Mining Technology Engineer**
Grade 7.8/10 Final Year Project '*Computer Aided Deposit Modelling*'.
-
- Mar. 1994 – Jun. 1994 Doncaster College, United Kingdom
Erasmus Student Exchange Programme
- **Mining Engineering**
With scholarship from the State Scholarships Foundation of Greece
-
- Oct. 1995 – Sep. 1996 University of Nottingham, United Kingdom
Mineral Resources Engineering & Management
- **Master of Science in Mineral Resources Engineering & Management**
-
- Oct. 1996 – Sep. 1999 University of Nottingham, United Kingdom
Mineral Resources Engineering
- **Doctor of Philosophy in Mining Engineering:**
Application of Artificial Neural Network Systems to Grade Estimation from Exploration Data
With scholarship from the State Scholarships Foundation of Greece
-
- Nov. 2002 – Oct. 2003 Technological Educational Institute of W. Macedonia
Economic Geology - Mineralogy
- **Post Doctorate:**
Investigation of Dimensionality Effects to the Performance of Artificial Neural Networks in Grade Estimation from Exploration Data
With scholarship from the State Scholarships Foundation of Greece
-

MAIN PROFESSIONAL EXPERIENCE

11/5/1998 – 18/2/2000 Maptek/KRJA Systems Ltd.

Mining Engineer – Technical Services

Mining engineer in technical support and customer training for the VULCAN 3D Software and Chronos. Software demonstrations to mining companies and educational institutes. Resource/reserve estimation studies using VULCAN for company clients. Software quality assurance.

Clients training: engineers and geologists from the following companies:

- Anglo-American Plc (Lisheen mine in Ireland)
- UK Coal (Great Britain)
- Celtic Energy (Great Britain)
- Carmeuse (Belgium)
- CiRN (Spain)

Studies: reserves estimation, pit design and scheduling for the following companies:

- Anglo-American Plc (Lisheen mine in Ireland)
- Carmeuse (Belgium)
- OCP (Morocco)
- RMC Aggregates (Great Britain)

Other activities: Maptek booth organisation and support during Mining 98 exhibition in London. Organisation of the VULCAN 3D Software Users Conference in Nice, France. Conference proceedings publication: 2nd VULCAN Regional Conference.

9/2000 – 8/2001

Technological Educational Institute of W. Macedonia

Department of Geotechnology and Environmental Engineering – Research Associate

Theory and lab lectures in Computer Applications in Geotechnical and Mining Projects.

9/2001 – 8/2002

Technological Educational Institute of W. Macedonia

Department of Geotechnology and Environmental Engineering – Research Associate

Lecturing of theory and labs in Computer Applications in Geotechnical and Mining Projects. Lecturing of theory in Geostatistics.

9/2002 – 8/2003

Technological Educational Institute of W. Macedonia

Department of Geotechnology and Environmental Engineering – Research Associate

Lecturing of theory and labs in Computer Applications in Geotechnical and Mining Projects. Lecturing of theory in Geostatistics.

8/4/2002 – 31/3/2003 Maptek/KRJA Systems Ltd.

Mining Engineer – Technical Services based in Kastoria

Mining engineer in technical support and customer training for the VULCAN 3D Software and Chronos. Software demonstrations to mining companies and educational institutes. Resource/reserve estimation studies using VULCAN for company clients. Software quality assurance.

Client's training: engineers and geologists from the following companies:

- ONA Managem Group (Morocco)
- Western Areas South Deep Mine (South Africa)
- Rotem Amfert Negev Ltd (Israel)

Studies: reserves estimation, pit design and scheduling for the following companies:

- Geohellas SA (Greece)
- TITAN AE (Greece)
- ONA Managem Group (Morocco)

Other Activities: training Maptek staff in VULCAN and Chronos in the Johannesburg office (S. Africa). Organisation and support of Maptek's booth at Electra Mining 2002 exhibition in S. Africa.

1/4/2003 – 30/9/2004 Maptek/KRJA Systems Ltd.

Mining Engineer – Technical Services based in Nottingham, UK

Mining engineer in technical support and customer training for the VULCAN 3D Software and Chronos. Software demonstrations to mining companies and educational institutes. Resource/reserve estimation studies using VULCAN for company clients. Software quality assurance.

Client's training: engineers and geologists from the following companies:

- Cleveland Potash Boulby Mine (G. Britain)
- Anglo-American Plc (Lisheen mine - Ireland)
- UK Coal (G. Britain)

Studies: reserves estimation, pit design and scheduling for the following companies:

- QGX Gold Ltd. (Mongolia)
- Barrick Gold Russia (Russia)
- Cleveland Potash Boulby Mine (G. Britain)

Other Activities: training Maptek staff in the Denver office (USA). Writing training manuals for VULCAN in the following subjects: Scheduling Open Pit and Underground Mines, Introduction to VULCAN, Groundwater Modelling with MODFLOW, Geotechnics,

Underground Mine Design and Reserving. Design and administration of local area network in the Nottingham office (G. Britain).

1/10/2004 – 9/01/2006	Technological Educational Institute of W. Macedonia <i>Department of Geotechnology and Environmental Engineering – Research Associate</i> Lecturing of theory and labs in Computer Applications in Geotechnical and Mining Projects. Lecturing of theory in Geostatistics. Supervision of final year projects.
10/01/2006 – 4/2019	Technological Educational Institute of W. Macedonia <i>Department of Geotechnology and Environmental Engineering – Associate Professor</i> Lecturing of theory and labs in Computer Applications in Geotechnical and Mining Projects, Geostatistics, Remote Sensing and Geographical Information Systems, Information Systems in Geotechnical Projects, and Operational Research. Director of Mining Information Technology and GIS Applications Laboratory. Supervision of final year projects. Director of the Departments' Environmental and Information Systems Sector.
09/2008 – 02/2017	TetraTech - Wardrop Engineering, Inc. <i>Independent Contractor</i> Resource/reserves estimation studies, geostatistics, pit optimisation and design, and mine scheduling for Wardrop's and TetraTech worldwide clients.
2/2012 – 2/2018	Technological Research Center of Western Macedonia <i>Head of Lignite Technology Sector</i> The Lignite Technology Sector is active in the area of lignite mining as an energy source, focusing on the development of mainly surface mines, lignite processing and use as a fuel for the production of electrical energy. The Lignite Technology Sector is also active in the general mining sector, offering services to metals and minerals mining companies.
8/2012 – 4/2019	Maptek/KRJA Systems Ltd. <i>Technical Services Associate</i> Internal support and training to Company staff in Edinburgh and South Africa, technical support, consulting, and training programmes to clients in Europe and Africa. Competent/Qualified Person for several studies of projects in Europe and Africa.
5/2019 - today	University of Western Macedonia <i>Department of Mineral Resources Engineering</i> Associate Professor in Mining Informatics and Head of the Department of Mineral Resources Engineering. Director of the Mining Informatics and Machine Learning Applications Lab.

ADDITIONAL PROFESSIONAL EXPERIENCE – CONSULTANCY

3/1995 – 8/1995	Technological Educational Institute of W. Macedonia <i>Internship – Environmental Physics Laboratory</i> Atmospheric pollution data acquisition, recording, storage, and pre-processing.
10/1996 – 2/1997	University of Nottingham <i>Department of Mineral Resources Engineering</i> Tutorials in mine planning software in the first semester of the Master of Science course.
1/1998 – 3/1998	Cleanaway Limited - Wastewise <i>Department of Mineral Resources Engineering, University of Nottingham</i> Visual impact assessment study of a waste disposal site in Kent, United Kingdom on behalf of Cleanaway and Wastewise.
10/1998 – 2/1999	University of Nottingham <i>Department of Mineral Resources Engineering</i> Lecturing Artificial Neural Networks in the fifth semester of the Bachelor of Mining Engineering course.
27/3/2000 – 27/8/2001	Hellenic Army <i>Sergeant (Army) – Intelligence Officer</i> Military service - 18 months.
7/2000	Maptek/KRJA Systems Ltd. <i>ONA Managem Group, Morocco</i> Geological modelling and reserve estimation for Managem on behalf of Maptek/KRJA Systems Ltd.
2/2001	Technological Educational Institute of W. Macedonia, Greece <i>Marmin 2001 Marble Exhibition</i> Organisation and support of the Department of Geotechnology and Environment booth.
2/2002	Technological Educational Institute of W. Macedonia, Greece <i>Marmin 2002 marble exhibition</i> Organisation and support of the Department of Geotechnology and Environment booth.
4/2001	TITAN CEMENT SA <i>USJE Mine, FYROM</i> Geological modelling, reserve estimation and mine modelling of a marl

	deposit in Skopje on behalf of TITAN. The study supported the decision making and the final purchase of the mine by TITAN.
4/2001	Maptek/KRJA Systems Ltd., UK <i>Geobellas S.A.</i> Geological modelling, reserve estimation and mine modelling of an Atapulgitite deposit using VULCAN for demonstration on behalf of Maptek/KRJA Systems Ltd.
7/2001	Geohellas S.A., Greece <i>Dump Design and Modelling</i> Design and volumetric calculation of a dump area using VULCAN.
19/11/2004 – 24/1/2005	Anatolia Minerals Development Corp., Turkey <i>Pit Design Optimisation & Scheduling Study of a Gold Deposit</i> Open pit design and optimisation, ore reserves estimation, NPV scheduling optimisation of the Copler deposit in Turkey.
9/2005	LAVA Mining and Quarrying SA, Greece <i>Visual Impact Assessment Study of Pozolane Quarry in Milos</i> 3D modelling of pozolane quarry in Milos Island and visual impact assessment of the proposed quarry extension and restoration plan.
4/2006	GEOHELLAS SA, Greece <i>VULCAN Software Application Study</i> Drillhole database generation, stratigraphic modelling, open pit design, reserve estimation.
5/2006	Carmeuse SA, Belgium <i>VULCAN Software Training in Greece</i> Three-day introductory training of a geologist and a mining engineer. Introduction to VULCAN, drillhole database generation, triangulation modelling and CAD.
10/2006	Carmeuse SA, Belgium <i>VULCAN Software Training in Belgium</i> Three-day training of a geologist and a mining engineer. Block modelling, reserves estimation, open pit design.
11/2006	Public Power Corporation SA, Greece <i>VULCAN 3D Software Application Study in Drillhole Compositing</i> Drillhole compositing case study using PPC data and VULCAN 3D Software in order to assess the capabilities of the system according to PPC standards.
5/2007	LARCO SA, Greece <i>VULCAN 3D Software Application Study</i>

VULCAN 3D Software application study using LARCO data to assess the capabilities of the software in geological modelling, Fe-Ni grade / reserves estimation, open pit optimisation and open pit design.

5/2007-6/2007

Public Power Corporation SA, Greece

Re-estimation of Lignite Reserves in the Area of Western Macedonia

Drillhole, topographical and technical data entry. Pit design based on technical and economical parameters. Reserves estimation of all PPC lignite deposits in Western Macedonia.

1/10/2007-16/11/2007

LARCO GMMSA

VULCAN 3D Software Training

18 days of training in VULCAN 3D Software at LARCO's premises in Athens. 22 persons attended the training including geologists and engineers. The training topics were the following:

1. Introduction to VULCAN
 2. Drillhole Databases
 3. Geological Modelling
 4. Block Modelling – Grade / Resource Estimation
 5. Pit Optimisation
 6. Pit Design and Modelling
 7. Road Design and Modelling
 8. Geostatistics
-

6/2008

Lappland Goldminers SA, Sweden

Resource Estimation Review

Reviewing of resource model and results from the Haveri gold mine project in Finland as Qualified Person according to NI 43-101.

15/9/2008-
24/10/2008

Interbalkan Institute of Public Administration

Educational Programme «ORGANISATION AND EXECUTION OF CIVIL PROTECTION ACTIONS» - ADEDY

New technologies in civil protection seminar (Remote sensing, GIS, Positioning Systems), Kozani.

9/2008-10/2008

Wardrop Engineering Inc.

Resource Estimation Study, Sangdong, Oriental Minerals

Geological modelling, geostatistical analysis of Wolfram, Molybdenum, and Bismuth, grade and resource estimation, open pit optimisation, pit design and scheduling on behalf of Wardrop Engineering for the Sangdong deposit in South Korea (Oriental Minerals).

10/2008	Wardrop Engineering Inc. <i>Geostatistical Analysis of Emba Derho, Sunridge Gold</i> Geostatistical analysis of Au, Cu, Ag, Zn, Fe, Pb of the Emba Derho gold deposit for Sunridge Gold in Ethiopia, on behalf of Wardrop Engineering.
2/2008-2/2009	Public Power Corporation of Greece <i>Mine Planning of the Southwestern Lignite Field.</i> Geological modeling, lignite resources estimation, mine design and scheduling.
12/2008	Wardrop Engineering Inc. <i>Statistical Analysis of the Bugdainskoe deposit, Norilsk Nickel</i> Statistical analysis of Mo samples of the Bugdainskoe deposit from different labs for Norilsk, on behalf of Wardrop Engineering.
3/2009	Technological Educational Institute of Epirous, Department of Aquaculture and Fisheries, Postgraduate Studies Course: Lecturing of Geographical Information Systems (GIS).
8-10/2009	Interbalkan Institute of Public Administration Educational Programme 'Information Systems in Civil Protection' Structuring the programme, writing of lecturing notes, lecturing the programme (50 hours in Kozani and 25 hours in Thessaloniki).
1/2011	Wardrop Engineering Inc., UK Introduction to VULCAN 3D software training in Swindon, UK (5 days).
1-2/2011	ArcelorMittal, Liberia VULCAN 3D software training in Yekepa, Liberia. Training included introduction to Vulcan, geological modeling, grade estimation, pit optimization and design (10 days).
4/2011	Public Power Corporation, Greece Reserves estimation of the Achlada lignite deposit.
7/2011	Woulfe Mining Corporation, South Korea Introduction to VULCAN 3D software training in Sangdong, South Korea (4 days).
7/2011	LARCO GMMSA Vulcan software implementation study and training for the company's mine planning team.
8/2011	Lumwana Mining (Barrick Zambia) Vulcan geostatistics and scripting training for geologists and mining engineers (10 days).
9/2011	Core Mining Preliminary technical study of the iron ore Avima deposit in Congo
10/2011	Canadian Royalties/TetraTech Variography and grade estimation of a nickel deposit

11/2011	Noble Mineral Resources/TetraTech Variography and grade estimation of the Bibiani gold deposit in Ghana
3/2012	Lumwana Mining (Barrick Zambia) Vulcan geostatistics and Chronos open pit scheduling training and implementation.
3/2012	Canadian Royalties/TetraTech Variography and grade estimation of the Allammaq nickel deposit.
4/2012	LARCO GMMSA Development of a Perl script to calculate technical and financial parameters of open pit nickel projects for pit optimisation.
5/2012	North Rim Exploration/TetraTech Resource estimation of the American West Potash deposit.
5/2012	Woulfe Mining, South Korea Vulcan geostatistics training for geologists at the Sangdong tungsten project.
9/2012	Cobre Las Cruces, Spain Vulcan geostatistics training at the CLC open pit in Seville, Spain.
2/2013	Anagold, Turkey Vulcan geostatistics training at the Copler mine, Turkey.
7/2013	Euromax Resources/TetraTech Preliminary technical report on open pit design and optimisation of the Ilovica gold project in FYROM.
8/2013	Carmeuse, Belgium Specialised Vulcan training.
12/2013	Euromax Resources/TetraTech Open pit optimisation and design of the Ilovica project for prefeasibility study.
2/2014	Anagold, Turkey Chronos open pit scheduling training at Copler.
5/2014	Lumwana Mining (Barrick) Chronos and scripting training in Zambia.
9/2014	Rizzo Associates Open pit optimisation and reserves estimation of the Busitema gold deposit in Uganda.
9/2014	Managem/SMI, Morocco Vulcan geostatistics training and implementation for narrow silver vein deposits of the SMI.
3/2015	Aldridge Minerals/Turkey Mine design, planning and scheduling of the Yenipazar deposit.
9/2015	Grand Thornton / Iktinos Hellas SA/ Maptek-KRJA Systems Ltd Reserves estimation study and technical report of Iktinos Hellas SA working marble quarries.

2/2016	Lignite Mines of Achlada SA Reserves estimation and mine design of Achlada lignite mines in NW Greece.
11/2016	LARCO GMMSA Mine scheduling and underground mine design training in Kastoria, Greece
11/2016	Lignite Mines of Achlada SA Reserves estimation update of Achlada lignite mines in NW Greece.
2/2017	LARCO GMMSA Introduction to Vulcan for mining engineers training at Agios Ioannis mine site, Greece
11-12/2017	VALE Mozambique SA/Bluekudu Mine planning training of the company's geologists and mining engineers in Tete, Mozambique.
2017-2018	Stibium/Bluekudu Optimisation and design of a surface gold mine in South Africa.
2017	Vale Mozambique/Bluekudu Estimation and plotting of geotechnical parameters from a surface coal mine at Tete, Mozambique.
2017-2018	Vale Mozambique/Bluekudu Development of a Perl script program for the classification of a pit surface as to safety bench height, batter angle, and berm width geotechnical limits.
11/2018	Carmeuse, Belgium Geostatistical resource estimation training with Vulcan at the company's offices in Belgium.
12/2018	ArcelorMittal, Liberia Mine planning training with Vulcan for surveyors, geologists and mining engineers at Yekepa, Liberia.
2/2019	Golder Associates Surface coal mine scheduling in the Waterberg field of the Limpopo County in South Africa.
4/2019	Brazil Iron Limited/Forge International Ltd Optimisation and design of initial stage of the Fazena Moco surface mine in Brazil.
28/4-28/8/2020	Waste et Water Underground mine development study of the magnesite deposit in Ag. Georgios, Mantoulidou-Limnis-Ag. Annas, Euboea, Greece.
5/2021	Carmeuse SA/Unicalce SpA Online training of geologists in the use of Maptek Vulcan.

PUBLICATIONS (2 BOOKS, 13 JOURNAL PAPERS, 48 CONFERENCE PAPERS)

1. Kapageridis I, Denby B. *Ore grade estimation with modular neural network systems – a case study*. In: Panagiotou G (ed) Information technology in the minerals industry (MineIT '97). AA Balkema, Rotterdam, 1998, CDROM Proceedings Paper Code: KI16. Seven (7) cross-references.
2. Kapageridis I, Denby B. *Neural Network Modeling of Ore Grade Spatial Distribution*. In: International Conference on Artificial Neural Networks 98 (ICANN 98). Springer-Verlag, 1998, pp. 209-214. Five (5) cross-references.
3. Kapageridis I, Denby B., and Hunter G. *Integration of a Neural Ore Grade Estimation Tool in a 3D Resource Modeling Package*. In: Proceedings of the International Joint Conference on Neural Networks (IJCNN '99), International Neural Network Society, and the Neural Networks Council of IEEE, Washington D.C., 1999, CDROM Proceedings Paper Index #0014, Session: 10.9. Two (2) cross-references.
4. Kapageridis I, Denby B, Schofield D, and Hunter G. *GEMNet II – A Neural Ore Grade Estimation System*. In: 29th International Symposium on the Application of Computers and Operations Research in the Minerals Industries (APCOM '99), Denver CO, 1999, pp. 591-598. Two (2) cross-references.

CONFERENCES PARTICIPATION

MineIT '97: Information technology in the minerals industry, National Technical University of Athens, 1997.

ICANN '98: International Conference on Artificial Neural Networks 98, European Neural Network Society, Skovde 1998.

IJCNN '99: International Joint Conference on Neural Networks, International Neural Network Society, and the Neural Networks Council of IEEE, Washington D.C., 1999.

APCOM '99: 29th International Symposium on the Application of Computers and Operations Research in the Minerals Industries, SME, Denver CO, 1999.

ENVIROSOFT 2000: 8th International Conference on Development and Application of Computer Techniques to Environmental Studies.

MPES 2000: 9th International Symposium on Mine Planning and Equipment Selection, National Technical University of Athens, 2000.

IMCET 2001: 17th International Mining Congress and Exhibition of Turkey, Chamber of Mining Engineers of Turkey, Ankara 2001.

REFAPRO 2001: International Workshop, New Frontiers in Reclamation: Facts & Procedures in Extractive Industry, Milos 2001.

MPES 2002: 11th International Symposium on Mine Planning and Equipment Selection, VŠB - Technical University of Ostrava, Prague 2002.

IMCET 2003: 18th International Mining Congress and Exhibition of Turkey, Chamber of Mining Engineers of Turkey, Antalya 2003.

AIR POLLUTION 2004: 12th International Conference on Modelling, Monitoring and Management of Air Pollution, Rhodes 2004.

IMCET 2005: 19th International Mining Congress and Exhibition of Turkey, Chamber of Mining Engineers of Turkey, Izmir 2005.

18th Hellenic Conference on Operations Research: Hellenic Company for Operations Research, June 2006, Kozani.

AMIREG 2006: 2nd International Conference on Advances in Mineral Resources Management and Environmental Geotechnology, Technical University Crete, September 2006, Chania.

IAMG 2006 – Quantitative Geology from Multiple Sources: 11th International Congress for

Mathematical Geology, International Association for Mathematical Geology, September 2006, Liege.

SDIMI 2007 – 3rd International Conference on Sustainable Development Indicators in the Minerals Industry, Milos island, Greece - 17-20/6/2007.

ACUUS 2007 - 11th ACUUS Conference "Underground Space: Expanding the Frontiers", Athens, Greece, 10-13/9/2007.

GEOENV2008 - 2nd International Workshop in Geoenvironment and Geotechnics, Milos island, Greece, 2008.

AIMS2009 - 5th International Symposium on High Performance Mining (Aachen International Mining Symposia), RWTH Aachen University, Aachen, 2009.

StatGIS2009 – 3rd International Conference on Geoinformatics for Environmental Surveillance, June 2009, Milos, Greece.

AMIREG 2009 – 3rd International Conference on Advances in Mineral Resources Engineering and Environmental Geotechnology, September 2009, Athens, Greece.

APCOM 2009 – 34th International Conference on Applications of Computers and Operations Research in the Minerals Industry, October 2009, Vancouver, Canada.

IGC 2012 - 34th International Geological Congress, Geoscience Information Super-Symposium, Mathematical Geosciences Symposium, Soft Computing and Intelligent Methods in Mathematical Geology, Brisbane, 2012.

EGE2013 – 13th Geological Congress of the Geological Society of Greece, Chania, 2013.

EGE2016 – 14th Geological Congress of the Geological Society of Greece, Thessaloniki, 2016.

ISCSM2018 - 14th International Symposium for Continuous Surface Mining, ISCSM2018, Thessaloniki, September 2018.

EGE2019 - 15th Geological Congress of the Geological Society of Greece, Athens, 2019.

RawMat2021 – 1st International Conference on Raw Materials and Circular Economy, Athens, Greece, 05-09 September, 2021.

EGE2022 - 16th International Congress of the Geological Society of Greece, Patras, October 2022.

SEMINAR ATTAINMENT

Drilling Seminar, Institute of Geological and Mining Exploration, Kozani 1994.

Introduction to VULCAN 3D Software, Maptek/KRJA Systems Ltd, Nottingham 1997.

1st Regional VULCAN Conference, Maptek/KRJA Systems Ltd, Nottingham 1997.

2nd Regional VULCAN Conference, Maptek/KRJA Systems Ltd, Nice 1999.

Model Development with ILOG OPL-CPLEX and ODM Web Seminar, ILOG Inc., Paris, France,

2007.

The ILOG JRules 6 Technical Overview Presentation, Web Seminar, ILOG Inc., Paris, France, 2007.

Writing Better MIP Models, Web Seminar, ILOG Inc., Paris, France, 2007

ILOG CPLEX 11, Web Seminar, ILOG Inc., Paris, December 2007

ILOG CP Optimizer, Web Seminar, ILOG Inc., Paris, January 2008.

Publishing KML Services with ArcGIS Server 9.3, Live Training Seminar, ESRI, March 2008.

Learn how to build state-of-the-art decision support applications and models, Web Seminar, ILOG Inc., Paris, March 2008.

Introducing ILOG CP Optimizer 2.0, Web Seminar, ILOG Inc., Paris, May 2008

ILOG JViews: Go Beyond the Basic Eclipse User Interface, Web Seminar, ILOG Inc., Paris, May 2008

ILOG OPL Development Studio 6.0, Web Seminar, ILOG Inc., Paris, September 2008.

ERDAS Imagine 9.3 – Imagine What’s New, Web Seminar, ERDAS, New York, November 2008.

ILOG Optimization Webinar - Infeasibility Analysis with ILOG CPLEX, ILOG Inc., Paris, November 2008.

Maptek Africa and Europe Users Conference 2010 – Maximising Efficiency and Increasing Safety, Maptek Pty Ltd., Johannesburg, March 2010.

Maptek Evolution Open Pit Scheduling Workshop, February 2015, Edinburgh.

CONFERENCE ORGANISATION AND JOURNAL REVIEWING COMMITTEES MEMBERSHIP

Organising Committee	2 nd Regional Vulcan Users Conference, Maptek/KRJA Systems Ltd, Nice, 1999
----------------------	---

International Advisory Committee	17 th International Mining Congress and Exhibition of Turkey, IMCET 2001, Chamber of Mining Engineers of Turkey, June 2001, Ankara
----------------------------------	---

Reviewer	Mathematical Geosciences, International Association for Mathematical Geology, Springer-Verlag.
----------	--

Reviewer	Computers & Geosciences, International Association for Mathematical Geology, Elsevier.
----------	--

Reviewer	Computational Intelligence
----------	----------------------------

Reviewer	Computers and Concrete, An International Journal
Reviewer	Society for Mining, Metallurgy, and Exploration, Inc.
Reviewer	Earth Science Informatics, Springer
Reviewer	Expert Systems with Applications, Elsevier.
Reviewer	Southern African Institute of Mining and Metallurgy Journal
Reviewer	International Journal of Clinical Biostatistics and Biometrics
Reviewer	International Journal of Mining and Mineral Engineering, Interscience
Reviewer	Arabian Journal of Geosciences, Springer
Symposium Session Convenor	34 th International Geological Congress, Geoscience Information Super-Symposium, Mathematical Geosciences Symposium, Soft Computing and Intelligent Methods in Mathematical Geology, Brisbane, 2012.
Approved Assessor	Institute of Materials, Minerals and Mining (IOM ³).
Session co-chair	15th International Congress of the Geological Society of Greece, Session T11.S2 Soft Computing and Intelligent Methods in Geosciences, Athens, 22-24 May, 2019.
Organising Committee	International Conference on Raw Materials and Circular Economy (RawMat2021), Athens, Greece, 5 to 9 September, 2021

MEMBERSHIPS

Chartered Engineer	Engineering Council, United Kingdom
Chartered Scientist	Science Council, United Kingdom
Member	European Neural Network Society
Professional Member	Institute of Materials, Minerals and Mining, United Kingdom
Member	Canadian Institute of Mining, Metallurgy and Petroleum
Member	International Association for Mathematical Geology
Member	Scientific Company of Mineral Wealth Technologists, Greece
Associate Member	Eclipse Foundation

FOREIGN LANGUAGES

- English: Excellent (Cambridge Proficiency)
 - German: Very Good (Goethe Institut Grundstufe)
 - Russian: Good (Language Centre, University of Nottingham)
-

COMPUTING SKILLS

- Operating systems: MS Windows, UNIX, Linux
- Programming: Basic, Pascal, Lisp, C/C++, Fortran, Perl, Python
- Office applications: MS Office (Word, Excel, PowerPoint, Access, Project, FrontPage), Photoshop
- CAD & Modelling software: AutoCAD
- Mine Planning / Geological: Maptek Vulcan, Maptek GeologyCore, Maptek Evolution, Surfer
- GIS / Remote Sensing: ERDAS Imagine, MapInfo, ArcView, Raster Design, Maptek PointStudio

SOCIAL ACTIVITIES / MEMBERSHIPS

- September 2019 – today: President of the Athletic Club of Kastoria (handball and table tennis) (Greece)
- December 2022 – today: President of the Classic Vehicles Group of Kastoria (Greece)
- May 2012 – today: Member of the Triumph 2000/2500/2.5 Register (UK)
- 2004 – today: Member of the Triumph Sports Club of Greece
